**SPECIAL ITEMS OF BUSINESS:**

Day Care Center

Mayor Spartz called this Special Meeting for the Council to discuss the plans for the Day Care Center to operate out of the John Wright Building.

Councilor Gaede serves on the Adventure Academy Day Care Center Board of Directors. She reported on recent Board meetings. She noted that the Board is frustrated that the Center has not been able to open yet due to delays in the construction/remodeling project.

The DEED grant was discussed. The City purchased items on behalf of Adventure Academy and is awaiting reimbursement for those items. Councilor Gaede noted that the Board was working with one vendor on a potential refund. The Board reimbursed Anna Reiser for expenses she incurred. They also are opposed to using the grant funds for the security system.

Councilor Gaede and Mayor Spartz noted some concerns the Adventure Academy Board has with the building; such as, use of the kitchen/gym space, smell of exhaust, washer/dryer setup, elementary play area, location of light switches.

The Board would like to open August 1, 2021; however, their licensing process can take six months. The application has not yet been submitted. A final inspection from the Building Official is needed.

The Adventure Academy Board members plan to attend the April 21<sup>st</sup> City Council meeting to discuss these and other items.
