# MARY THORVIG MEMORIAL TREE GARDEN

129 EAGLE DRIVE IN SANDSTONE

## OUR HISTORY

The City has established the Mary Thorvig Memorial Tree Garden in memory of Mary Thorvig. The Tree Garden is located at 129 Eagle Drive in Sandstone, near the softball field.

The Sandstone Parks & Recreation Commission enlisted the services of the Sandstone Federal Correctional Institution Welding Program to create the beautiful Arch to frame the entrance to the garden and also to create ten beautiful tree sculptures that are placed throughout the park. Each tree sculpture hosts 10 birds perched among the branches.

*Emblems can be placed on the sculptured trees prior to the Annual Memorial Service event, or in conjunction with this event, whichever the family desires.*

*The metal teardrop sign measures 4 inches tall and is laser engraved with your loved one's name, birth and death dates, and any custom saying you would request up to 50 characters.*

*"In Loving Memory Of" and "Forever In Our Hearts" comes automatically on the tag unless you make a specific request to change it.*

## YOUR MEMORIAL

Teardrop memorial emblems have been selected for donors to purchase to honor a loved one. The teardrop memorial emblem will be placed by one of the birds on one of the tree sculptures. Donors may choose which tree sculpture they would like their memorial displayed on.

The suggested donation for a teardrop memorial emblem in the Mary Thorvig Memorial Tree Garden is \$200.00. The donation will include the cost of ordering and installing the memorial emblem. The donation will also help to maintain the Tree Garden. Please contact the Sandstone City Hall at 320-245-5241 if you are interested or for more information.
